Employment History

UCF OFFICE OF STUDENT INVOLVEMENT (OSI) - Orlando, FL

Web Designer/Developer, 05/2013 – Present

Use of HTML5, CSS3, Sass, PHP and JQuery to Design, develop, and maintain multiple websites for agencies located within the Office of Student Involvement. Used Wordpress content management system to create custom themes specific to each agency. Websites required unique post types, forms, and features. Worked directly with clients to understand and meet their needs to make an enjoyable experience for their user base.

AAA NATIONAL MOTOR CLUB - Heathrow, FL

UI/UX Design Intern, 04/2014 – 08/2014

Assisted with User Interface and User Experience design for AAA National internal road service web/native applications. Create and revise information architecture documents and diagrams such as: content diagrams, content maps, wire frames, comprehensive diagrams and static prototypes. Also Created mock ups, directed ongoing usability testing, and used HTML/CSS/JavaScript to design and develop user interfaces.
